

ATTESTATION AND VERIFICATION OF SNAP HOUSEHOLD DISASTER

To get replacement Supplemental Nutrition Assistance Program (SNAP) benefits for food destroyed in a disaster you must tell us about the disaster within 10 days of it happening. After you tell us about the disaster, use this form to attest to and prove the disaster (fire, flood, power outage, etc.) in which you lost food bought with SNAP benefits. You must complete both parts of this form. You must then return this form to us **within 10 days of telling us about the disaster. The dollar amount that is replaced will not be more than your monthly benefit allotment.**

You must tell us the date of the disaster and the value of food lost. You must also give us proof of the disaster. Failure to do so could result in a denial or delay of you getting your replacement SNAP benefits.
